

NATIONAL POLLUTION PREVENTION DAY

Department of Homoeopathic Pharmacy and Department of Community Medicine of A.M Shaikh Homoeopathic Medical College organized National Pollution Prevention Day in the college campus recently. Dr. C.M Moogi, Principal, A.M Shaikh Homoeopathic Medical College, spoke on the increasing threat being posed by pollution and ways to combat the global hazard. “Controlling pollution doesn’t mean abandoning development but that development shouldn’t come at the cost of human life as the pollution caused by most of the developmental activities have adverse effects on life”, he added. He said the major cause of concern has been the water and air pollution.

Students took active participation in the event and made a presentation on pollution straining on hazards of water, air, noise, radioactive pollution hazards of plastic usage and prevention of the same. During the presentation they also stressed on recycling paper, glass and plastic.

The event was coordinated by Dr. Vivek Kulkarni and Dr. Sandhya.
