

WORLD HOMOEOPATHIC DAY CELEBRATIONS

Birth Anniversary of Master Samuel Hahnemann was commemorated at A M Shaikh Homoeopathic Medical College recently at Shaikh campus Nehru Nagar Belgaum. All the students, interns, PG's, and associates of AMSC attended the celebration with homoeopathic zeal.

The celebration began with garlanding of Master Hahnemann's Portrait and lighting of the lamp by the dignitaries. To commemorate the occasion a scientific lecture by Dr. Ravi Jadhav, M.D. Hom, a renowned Homoeopathic practitioner & academician from Kolhapur was organized. He discussed various children's remedies of Homoeopathy. Addressing the gathering he highlighted the protocol of Homoeopathic cases which were declared as incurable by the conventional mode of treatment. He stated that "Homoeopathy in fact, is the only system of medicine which offers curative treatment (not palliative) to a large number of chronic ailments". He engrossed the gathering by the success stories and enlightened the successor of homoeopathy with various ways of approaching the cases.

In his presidential remarks Dr. G.M.Moogi, enlightened the audience with current status & scope of Homoeopathy, need of discipline, hard work and devotion to the system of medicine to excel in one's own life imbibing the inspiration from Dr. Hahnemann's life.

In the afternoon a Homoeopathic rally was hosted for Public awareness programme on Homoeopathy from Bogarves to Sangolli rayanna circle. Around 400 members including faculty & students took part in the rally.
