

**Press NoteWorld No Tobacco Day organized at Shaikh PU College & A.M Shaikh  
Homoeopathic Medical College**

Joining hands with the rest of the world highlighting the health risks associated with tobacco use and advocating for effective policies to reduce tobacco consumption Shaikh PU College & A.M Shaikh Homoeopathic Medical College organized No Tobacco Day at Shaikh Campus recently. Principal Mr. Ramesh Godse in her key note address said “considering the grave ill effects of tobacco consumption, we must strive to protect the health of our fellow citizens and our children through effective tobacco control policies. He said tobacco consumption is the cause of many types of cancers and research has shown that a predominant majority of oral and lung cancer patients have a smoking background. He asked them to dissuade their friends from smoking and highlight the dangers of smoking. The speaker threw light on the harms of tobacco and called upon the people to shun it.

The students of A.M. Shaikh Homoeopathic Medical college students addressed the PU students at JGI. They spoke about the harmful effects of tobacco and highlighted the anti tobacco programs initiated by government of India and NGO’s. Students of A.M.Shaikh Homoeopathic College also performed a skit which enlightened all the harmful effects of tobacco.

The event was supported by Dr. Moogi, Principal, A.M. Shaikh Homoeopathic Medical College and Mr. Ramesh Godse, Principal, Shaikh PU College. The event was organized to highlight about ill effects of tobacco and other allied products. The event was organized by Dr. Rinku Porwal. The event concluded with vote of thanks proposed by Ms. Shireen Dargah.
