

## INTERNATIONAL LITERACY DAY

International Literacy Day was celebrated by the A.M. Shaikh Homeopathic Medical College, Belagavi, Department of Pathology and Microbiology on 08.09.2023. On this occasion Dr. Najib Patel and Dr. D Havilah Mercy of Pathology and Microbiology Department and Students of Final year BHMS provided awareness regarding Literacy and its Importance for sustainable and peaceful society. They also informed the residents about the significance and the role of literacy and education in one's life. The awareness was created for 1065 people of two rural villages, Devagiri and Gunjanatti of Belagavi District. The awareness programme was well appreciated by the both villages
