

WORLD FOOD DAY CELEBRATED BY A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE BELGAVI

Department of Community Medicine, A.M.SHAIKH HOMOEOPATHIC MEDICAL COLLEGE BELGAVI under the banner of NSS celebrated World Food Day 2023 by creating awareness on the theme of 2023 which was "Water is life, water is food" in Devgiri. World Food Day focuses on raising awareness on the importance and taking up initiatives to ensure that every person on this planet is given access to proper nutrition and proper food. Ensuring food safety and security and combating hunger are also the focus of celebrating World Food Day. It was a house to house awareness program in which NSS students of third and final year BHMS participated. The event was conducted under the guidance & supervision of Dr. V. R. Kulkarni HOD Department of Community Medicine.
