

Guest Lecture at A M Shaikh Homeopathic Medical Collage

Department Of Homeopathic Materia Medica conducted A Guest Lecture for Final year BHMS and PG students on the topic of "Super Specialty in Homeopathy. Case Discussion on Neuro dissociative Disorder".

Dr. Zakir Husain Mujawar was the resource person. He has vast practical knowledge on Homeopathic management of chronic diseases.

Students were encouraged towards practice of classical Homeopathy and we Homeopaths as super specialists in the society should adhere to it. He explained with the example of his own efficient practice and an interesting case of Neuro-Dissociative disorder of a 15 year old girl with successful cure after the failed efforts of all other system of medical practices. Students were actively involved with the case discussion and were hugely benefited from his vast experience.

Under the guidance and support of the Management of A.M Shaikh Homeopathic Medical College and Director Dr V.V. Vernekar and Dr Saeed Ahmed Principle, the event was successfully organised and coordinated by HOD Dr. Afshan A Balekundri, Dr S.M.Murgod, Dr Nusrat.M Jamadar, Dr Archana V Kulkarni and Dr Swapna A Pujari.
