DEPARTMENT OF PAEDIATRICS

HEALTH SCREENING CAMP

Department of Paediatrics under the guidance of Dr Nahida M Mulla organised a health screening camp at Govt Kannada Higher primary school Rukmini nagar Belgaum to find the prevalence of various disease conditions in the Rukmini nagar locality.

Total number of children screened were 160. Majority of children were found underweight with dental caries, tonsillitis, worm infestation, malnutrition & anaemia. They were advised to take nutritious food & maintain oral hygiene by regular brushing habits. They were also explained about the importance of personal hygiene, washing of hands before eating & using footwears while playing or walking in open areas. The team of doctors visited are Dr. Nahida, Dr Anupama, Dr. Farhathulla , Dr Juveria, Dr Muskan & Dr. Musba.
