

ALUMNI MEET AT SHAIKH CAMPUS

Alumni reunion of 1993 Batch was organized in Shaikh Campus. The Alumni visited the College campus.

Hostel , Classrooms , Practical labs and the Hospital refreshing their memories.

They were given a warm welcome in the college by the Principal and Alumini of the same batch. Refreshment were provided. While they were visiting and sitting in the class room newly installed smart board was introduced to them with their features by Dr. Jyoti Vijaykumar Professor and Guide Dept. of Medicine and Alumini of the same batch. Student Welfare Officer Dr. V.V Kulkarni was along with them in the campus.

The batch visited the Hospital and met senior medical officer Dr. I A Khatib with whom they had completed their internship in 1998.

They gifted standing BP monitoring apparatus as a token of love to the Alma Mater.

They were happy about the changes and improvement being brought in the college and campus by the Management for the development of the students.
