

## A M SHAIKH HOMOEOPATHIC MEDICAL COLLEGE ORGANISED HEALTH AWARENESS CAMP AT KADOLI.

World Health day 2024 advocates for healthy lifestyle and universal healthcare access. The theme being “**My Health my right**” highlighting the importance of quality health services , education and information as well as safe drinking water, clean air, good nutrition, quality housing, decent working , environmental conditions and freedom from discrimination.

Department of Practice of Medicine had organized a Health awareness camp at Community adapted village Kadoli. Dr Shweta B Nanjannavar & Dr Irshad Nalband addressed the villagers who were given awareness about how clean water and hygienic surrounding play an integral part in maintaining health and how Homoeopathy plays its role in achieving it.

Dr Asha Galli & Dr Sabha Mestri , Medicine PG students made them aware about nutritional aspects and the failure of consuming nutritious food leading to diseased state. There were about 80 villagers who were benefitted by this health awareness camp. The awareness camp was also accompanied by 7 final year students.
