

ORIENTATION ON SCIENTIFIC PUBLICATIONS

Publication orientation programme was conducted by Dr. Jyothi Vijaykumar, Publication coordinator of AMSC. All the faculty members attended the same. The objective of the presentation was to know scientific publications in general and Publications at AMSC. The orientation programme highlighted on need of scientific publication especially in peer reviewed indexed journal falling under UGC care. Different templates like NCH and NAAC were discussed and faculty members were enlightened with the requirement and marks allotted as per these templates.

Also rules and regulations of AMSC publications were highlighted so that every faculty will be aware of it and feedback was taken which was satisfactory.

Publication orientation programme by Dr. Jyothi Vijaykumar, Publication coordinator, for AMSC staff members
