

WORLD POPULATION DAY

The Department of Community Medicine A.M.Shaikh Homoeopathic Medical College Belagavi under the banner of NSS celebrated World Population day 2024 by an awareness program in adopted village Kadoli. NSS volunteers of final year BHMS were involved in this awareness program where they conducted house to house awareness with the help of ASHA workers of PHC kadoli.

The students emphasized the need of temporary & permanent family planning methods along with the consequences of having bigger family.

They motivated the couples for tubectomy & vasectomy who have two or more children, & to use temporary contraceptives for those who are newly married. They also explained the importance of spacing of pregnancies.

The event was well supported by the authorities of Kadoli PHC who provided us with ASHA workers.

The whole event was conducted under the supervision of Dr. Sai Krishna.

NSS VOLUNTEERS OF AMSC ON WORLD POPULATION DAY-2024 IN KADOLI.

HOUSE TO HOUSE AWARENESS PROGRAM CONDUCTED IN KADOLI VILLAGE.
