

NATIONAL DE - WORMING DAY OBSERVED AT A.M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL

Belagavi: A.M. Shaikh Homoeopathic Medical College & Hospital successfully organized a National De-Worming Day awareness program at its auditorium to emphasize the importance of de-worming in public health. The event focused on educating students and healthcare professionals about the significance of regular de-worming in preventing parasitic infections and improving overall well-being.

The program commenced with a welcome speech by Dr Sachin V Patil, highlighting the need for preventive healthcare measures. This was followed by an informative session by Ms. Amruta, who elaborated on the significance of de-worming, particularly for children and vulnerable populations.

The highlight of the event was the address by the Chief Guest, Prof. Dr. Rosario D'Souza, Head of Institution (HOI), who emphasized the crucial role of healthcare professionals in promoting de-worming awareness and implementation. His speech provided valuable insights into the impact of parasitic infections on public health and the necessity of preventive measures.

The event was further graced by Dr. Asim Patel, Professor & Head of Department, as a special invitee, whose presence and support added immense value to the discussions.

The session concluded with a vote of thanks by Ms. Supriya, expressing gratitude to all dignitaries, faculty members, students, and attendees for their active participation.

The National De-Worming Day program was well-received and successfully fulfilled its objective of raising awareness about de-worming and its impact on community health. The event reaffirmed the institution's commitment to promoting preventive healthcare and public health education.
