

WORLD ANATOMY DAY 2025 AT A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL, BELGAUM.

The Department of Human Anatomy celebrated World Anatomy Day, to commemorate the death anniversary of Andreas Vesalius, the Father of Modern Human Anatomy. This year's global theme — "Global Perspectives of Anatomy" — highlighted the worldwide importance of anatomical sciences in medical education and research. The program was graced by Dr. Asim Patel, Professor and Head of the Department, who served as the Chief Guest. He appreciated the efforts of students and faculty for organizing an educational and inspiring event that strengthens the foundation of medical learning.

The celebration was organized by 1st Year BHMS students under the guidance of Dr. Nakul Kakade (Associate Professor) and Dr. Sachin Patil (Assistant Professor). The event was beautifully compered by Miss Amruta Hugar, and Miss Sandhya Mali delivered an insightful presentation on the importance and significance of the day. The program concluded with an expression of gratitude to the management, staff, and students for their active participation and contribution to the success of the event.

The celebration truly reflected enthusiasm, teamwork, and reverence for the science that forms the foundation of medicine.
