**“A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL,
SUCCESSFULLY ORGANIZED AN HEALTH CHECK-UP CAMP,”**

The **Department of Organon of Medicine, A. M. Shaikh Homoeopathic Medical College & Hospital, Belagavi**, successfully organized an **Osteoarthritis Health Check-up Camp**, which received an encouraging response from the public. The camp provided comprehensive clinical evaluation for patients suffering from knee pain, joint stiffness, back pain, and other musculoskeletal complaints. Expert homoeopathic consultations were offered along with individualized treatment, lifestyle and dietary counselling, and exercise guidance to support effective management of osteoarthritis and related conditions.

The primary objective of the camp was to create awareness about osteoarthritis, promote early diagnosis, and encourage timely intervention to improve patients' quality of life. Through this community outreach initiative, the department emphasized the importance of preventive healthcare, holistic homoeopathic management, and patient education. The successful conduct of the camp reflects the institution's continued commitment to serving the community by delivering quality healthcare services and fostering greater public awareness about musculoskeletal health.
