A. M. Shaikh Homoeopathic Medical College, Hospital & PG Research Centre, Belagavi, in collaboration with Malmaruti Police Station, observed the **International Day Against Drug Abuse and Illicit Trafficking** by organizing an awareness programme at the Golden Jubilee Hall, Shaikh Campus. The event began with a live telecast of the State-level programme from Bengaluru, graced by the Honorable Chief Minister and Home Minister, emphasizing the need for collective action to eliminate drug abuse and promote a healthier society.

Police officials from Malmaruti Police Station conducted an insightful awareness session, educating students about the harmful effects of substance abuse, its legal consequences, warning signs, and its social, financial, mental, and physical impact. Real-life case examples helped participants understand the devastating effects of addiction and the importance of making responsible choices. The programme strengthened students' awareness and encouraged them to become active advocates in building a drug-free, healthy, and responsible community.
