HOSPITAL & P.G. RESEARCH CENTER, NEHRU NAGAR,
BELAGAVI-590010**

**“A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE,
CELEBRATES SUCCESSFUL COMPLETION OF RGUHS STSH PROJECTS,”**

A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL & PG Research Centre, Belagavi, proudly celebrates the successful completion of four Rajiv Gandhi University of Health Sciences (RGUHS) Short-Term Studentship (STSH) projects by its students under the guidance of distinguished faculty members.

Ms. Runali Dukare, guided by Dr. Premalata Rotti, completed a study on the anticancer potential of Gallium Aparine and Hoang Nan against Cisplatin in mouth cancer cell lines.

Ms. Sadiya Atahni, under Dr. Archana Kulkarni, Completed Research on The effectiveness of *Moringa oleifera* in managing iron-deficiency anaemia among college-going girls.

Mr. Mustafa Mulla, guided by Dr. Anisa Arkate, studied topical approaches for post-inflammatory hyperpigmentation in acne patients.

Ms. Tazeen Mujawar, under Dr. Kirti Chavada, explored graphology and personality traits through a homoeopathic perspective.

All four students received Certificates of Appreciation from **RGUHS, Bengaluru**. This achievement reflects the institution's strong research culture, faculty mentorship, academic excellence, and commitment to innovation in homoeopathic research.
