**“A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE,
CONDUCTED FREE FOLLOW-UP CAMP ON
NON-COMMUNICABLE DISEASES,”**

A. M. SHAIKH HOMOEOPATHIC MEDICAL COLLEGE & HOSPITAL & PG Research Centre, Belagavi, through its Postgraduate Department of Practice of Medicine, organized a **Free Follow-up Camp on Non-Communicable Diseases (NCDs)** at its adopted village, **Devhiri**, on **3rd August 2026** as part of its community outreach and preventive healthcare initiatives. During the camp, postgraduate scholars, under the guidance of experienced faculty members, conducted comprehensive health assessments including blood pressure measurement, random blood sugar estimation, Body Mass Index (BMI) evaluation, and general health examinations. The camp focused on the early detection and continuous monitoring of common NCDs such as hypertension, diabetes mellitus, and obesity.

A total of **20 beneficiaries** attended the camp and received personalized health counselling on maintaining a balanced diet, regular physical activity, stress management, treatment adherence, avoiding tobacco and alcohol, and periodic health check-ups. The initiative enhanced community awareness while providing postgraduate students with valuable practical exposure in preventive and community-based healthcare.
